Solicitors in our neighborhood

Every person soliciting orders for or selling goods, merchandise or services door to door is required to register with the Police Department and present a validated registration application and photo identification upon request. Residents are encouraged to call the Roseville Police Department at 774.5000 ext. 1 with any concerns about unregistered solicitors or other suspicious behavior.

Children Home Alone

A few months ago I was walking my kids to the park and I witnessed a student open the door for a solicitor and divulge way too much information about their absent parent's late schedules. With school being out for the summer, it's a good time to remind our kids about a few safety steps, <http://www.redcross.org/news/article/Kids-Home-Alone-Follow-These-Safety-Steps>

Don't open the door to strangers. If you're expecting someone, but find a stranger at the door, do not tell them your parent's aren't home. Never tell them what time your parents will be home or where they work.

Telephone Scams

There are a variety of scams going around involving the use of prepaid credit/money cards. While these cards make nice gifts for people you know, crooks are using many ruses to lure victims into buying these pre-paid cash cards and then supplying the card numbers to them. The Better Business Bureau has a Top 10 list of scams of 2014, <http://www.roseville.ca.us/civicax/filebank/blobdload.aspx?BlobID=32225> Green Dot, Reloadit and similar pre-paid money transfer cards are like cash-when you provide the number on the back of the card to someone, they have access to the money immediately. Once it's used, it is nearly impossible, to trace. Chances of getting the money back are slim to none.
