Reports

Officer Gary Cole, patrolling beat 6, talked about recent crime trends, theft being the main one. Personal belonging being left in car, especially unlocked. Open garage doors entice theft. Call the police for suspicious activity, anything at all, not bothering them. The beats were designed to have the same number of calls. Beat 6 is geographically the largest currently, to match the number of calls within the other beats. A lot of the theft is spurred by addicts, trying to make money for drugs. Roseville is fortunate to have a city jail.

Sue Cook provided an overview of RCONA and the Association. Talked about funding available to WONA as a new association. Insurance gets covered under RCONA. Use of city parks if free. Neighborhood watch establishment. Fast and direct contacts/response from city officials.

Sue Cook made a motion to approve the Provisional Board, second by Tom LaCorte, motion carried.

Elizabeth Mathis made a motion to approve the By-laws, second by Kimberli Maytanés, motion carried.

Elizabeth discusses the new business items: DTN, MITP, Website.

David Larson mentioned the widening of Blue Oaks Project.
