Upcoming Events

Monday, **November 3, 2014**, Monthly Neighborhood Meeting @ 7PM, *Silverado Middle School, Classroom SC-3 (The buildings have names so look for the name that has the initials SC.)* We're meeting to talk about your Woodcreek Neighborhood. You're invited to join us! We'd love to see you there!

Changes for WONA

Two new Members at Large were added at the last meeting-Ginger Long and Kaye Swain. Also, Kaye Swain volunteered to be our Newsletter Editor. If you have any suggestions or questions about the City of Roseville or your Woodcreek Oaks Neighborhood, etc., we'd love to hear them. We can then research the answers for you.

The Drought Continues

With the drought continuing, the City of Roseville has some very helpful water tips that include the reminder to adjust your watering schedule...to reflect the lower water needs of plants. As the weather cools and days get shorter, plants are going dormant and now have very low water needs. Adjusting your timers for cooler weather will make your yard more water efficient and eliminate water runoff. See 4 more tips at www.Bit.LY/water-saving-tips where you can also find the link to their Water Insight info...get tailored tips and recommendations on how to cut water use.
