IV. Police Update – Officer Jerry Wernli

People sleeping in cars – behind businesses. Unless homeless people are trespassing, not breaking any laws. Many laws changed felonies to tickable offenses, ie. Commercial theft, drugs.

Noise question about landscaping at 2AM. It's against muni code. Need to be willing to sign a ticket; tell dispatch when you call to complain.

Mailbox theft issues citywide – check mail daily.
Some recent scams via phone and email.

V. Guest Speaker from Public Works Engineering – Noah Siviglia

Roadway resurfacing. Replacing curb ramps in our area, why? DOT/DOJ/ADA upgrade requirements. Federal funds will be withheld if things aren't up to code.
Preventative maintenance takes less time and money than a complete street redo.

2017/18 plans in WONA – few more curb ramps – in prep for future resurfacing, esp along Woodcreek Oaks, going North from Junction.

Downtown projects – pedestrian bridges. This year the end bridges expect to be completed. The “main” bridge to downtown is waiting for funds.

Bike trail/path work from downtown all the way to Sierra College. Going to go under Folsom Rd.
