We had a great meeting for October. The elections went well. Congratulations to new and old board members:

- CJ Jawahar – President
- Rosalyn Rendon – Vice President
- Guru Niyam Seyl – Secretary
- Elizabeth Mathis – Treasurer
- Ginger Long – Member at Large
- Joanne Michels – Member at Large
- Jacob Tibbetts – Member at Large
- Efren Rendon – Member at Large

Our next meeting will be a holiday cookie party meeting on **Tuesday, December 5th, 2017, at 7pm**. We'll bring cookies and something to drink (you can, too, but it's not required. 😊 We'd just love to see you come!)

Be sure to
come to our
next meeting!
12/5/17

Woodcreek Oaks October Meeting – Another informative meeting while welcoming a new neighbor, a new police officer, and a new firefighter! Officer Gary Cole and Officer Brainard brought us up to date on neighborhood happenings including the fact that stolen vehicles have increased recently. Especially Ford F150s. And apparently the holiday spirit has gotten into thieves as well as package thefts are again increasing. In addition, construction thefts are up and, sad to hear, many juveniles seem to be involved in this.

Make sure to keep your garage door closed and your door locked even if you're just running inside or to the back for a few minutes. The police have found that the owner starts the car as they prepare to leave. Then they run into the house to grab a forgotten item or hustle a slow passenger. A lurking thief uses that couple of minutes to snag the remote from the car. The residents leave. The thief opens the garage door and has a field day. Thief takes off and the residents often don't notice the remote is gone. Until, of course, they come back and find their garage missing items! One interesting note – gated communities seem to have about the same level of safety/robberies as non-gated!

One of our neighbors mentioned that he had spotted graffiti at one of the parks. Officer Coleman shared the happy news that gang activity is very minor in Roseville. And that the graffiti was reported AND cleaned up the same day! KUDOS to Roseville Police Department!

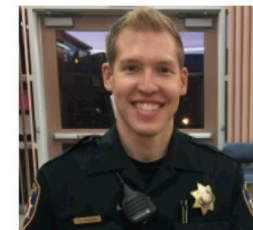

Graffiti Hot Line - (916)746-1021 to report graffiti spotted on public property or someone else's property. You can call 24/7. If you're a victim of graffiti, please call our non-emergency line at 774-5000 extension #1 to file a police report.

Roseville Police – Due to changes in oxycodone – heroine has now joined meth as the two biggest drug problems – and these are some of the reasons driving the increase in thefts. The sad thing about heroin is that HEROIN KILLS! Roseville Police Department have all been trained on Narcan and carry it to help when they find someone having a heroin overdose.

Roseville Fire – Our fire fighters reminded us that DAYLIGHT SAVINGS TIME is coming up on NOVEMBER 5, 2017. FALL BACK one hour AND change the batteries in your smoke and carbon monoxide detectors. They also pointed out that dust in the smoke detector can set them off. So be sure to dust them. Also, as heaters are going on, be aware that it's normal to have a dusty burning smell. I was intrigued to learn that the smell is because the dust is actually burning a bit – quite normal.

Be sure to save your  **Boxtops For Education! Bring them to a meeting or call us and we'll pick them up. ☺**

West Roseville Petition – Our neighbors, Fiddymont Farms, have a petition to extend at least a partial 2-lane extension of Blue Oaks Boulevard through to Westbrook Boulevard now! This would provide faster police and fire support for the area. Only West Roseville residents may sign the petition. This can help all our neighbors, including Woodcreek Oaks, by providing speedier assistance from police and fire. While we are very close to each, if there are units at a Westpark location that need to be diverted to someone in Woodcreek Oaks, it will take much longer with the current roads. If you would like to sign the petition – go to KayeSwain.com/west-roseville-petition – and THANK YOU!
