Sadly, our National Night Out NNO 2018 was cancelled due to safety concerns because of so much smoke in the air coupled with extreme heat. We were so sorry to have to do it and are already looking forward to next year's event.

Our next meeting will be at Silverado Middle School on October 2, 2018 at 7pm. We will be holding our annual elections that night as well as welcoming our police officers and / or fire fighters who come to share what's been happening in our Woodcreek Oaks area and the City of Roseville in general.

It is with sadness that we announce that our esteemed Chairperson, CJ Jawahar is stepping down due to other commitments. We want to say a BIG THANK YOU to CJ for all his hard work! He, along with our great secretary - Guru Niyam Seyl, re-started Woodcreek Oaks after a multi-year hiatus about 4-5 years ago. They have done such a terrific job getting it going with regular meetings, potlucks, holiday fun, and the National Night Outs and he will be sorely missed.

If you'd like to nominate yourself or someone else for Chairperson or Vice Chairperson, please let us know via email (WoodcreekOaksNA@gmail.com) or come to the meeting! We'd love to meet you and appreciate your hard work to help keep WONA going strong for 2018-2019. These positions don't necessarily require a large time commitment but are vital to keeping our neighborhood association healthy. Thank you! ☺

City of Roseville - Did you know that most Roseville parks are a "No Drone Zone"? There are three parks with designated space for unmanned aircraft, such as drones and NONE are in West Roseville. Here's a few steps to take before you fly:

1. Register your unmanned aircraft with the Federal Aviation Administration (FAA) at faa.gov/uas.
2. Apply for an Unmanned Aircraft Flying Permit. <http://bit.ly/Roseville-Drone-Laws>
3. With your permit in hand, visit the approved park locations. (Approved parks locations are in the permit application (link is at <http://bit.ly/Roseville-Drone-Laws>.)
4. Have fun and be safe!
